Re: RESERVE POWER CELL, LLC  
Patent Application Entitled: Multiple Battery System and Auxiliary Battery Attachment System  
Serial No. 10/604,703  
Account No. 50-1111

To Whom It May Concern:

We are requesting a refund in connection with the above-referenced patent application. The charges were charged in error from the U.S. Patent and Trademark Office ("PTO"). According to the response submitted on November 23, 2005, Applicant added new claims 88-105 and cancelled pending claims 37-62. Claims 1-36 and 63-87 were withdrawn responsive to a prior restriction requirement. With the addition of claims 88-105 and the cancellation of claims 37-62, eighteen claims remain pending in the above-referenced application, three of which are independent. Applicant had previously paid for examination of eighty-seven claims, four of which were independent. Therefore, Applicant has not added any extra claims by virtue of the amendments submitted November 23, 2005. As a result, no additional fee is believed due for examination of the pending claims.

In view of the above, kindly refund the charge of 200.00 which was posted on the monthly statement of Deposit Account dated December 30, 2005, (a copy of which is enclosed for your reference) into our Deposit Account No. 50-1111.

If you have any questions, please feel free to call me.

Very truly yours,

*DCC*
